

P.E- Monday & Wednesday

Please remember to remove piercings on the days your child has PE, if they are not removed your child cannot take part.

It is important your child has full named PE kit at school, without it they may not be able to take part. All children will need named plimsolls for the summer term as we will be starting athletics outside.

Topic

Our topic for the summer term is 'Growing, Planting and Farming'. We will be taking part in lots of practical activities including planting seeds, potatoes, looking at life cycles and hatching butterflies. We will be learning about different animals and mini-beasts and comparing them. We are hoping to enhance our outdoor learning space during this term to enable us to do more learning outside.

Target Tracker Link- Your child's achievements in school are regularly published on Target Tracker Link. We hope you check this regularly! Please see the office if you need help.

Summer Term

Class Assembly date TBC
Please check your parent mail

Welcome back to Zebra Class

We hope you all had a lovely Easter Break. We are looking forward to an exciting summer term. If anyone has any plants or seeds they wish to donate these would be gratefully received to enhance our topic on growing and farming.

Furthermore, if we have any gardening enthusiasts who would like to come in and do some gardening for us with the children please speak to a member of staff.

Class trip

Class Trip to Eastern Farm Park will be taking place on Wednesday 8th May- please make sure your child is wearing appropriate clothing for the farm. A letter will be sent with further details nearer the time.

Reminder: PD days

Tuesday 23rd April is a PD day- children return to school on Wednesday 24th April.

Friday 24th May is also non-pupil day.

Shared reading and Reading books

Please continue to hear your child read their school reading book at home. This is important for their confidence and fluency.

Shared reading time for you to come into school and read with your child and change their library book will be on a Monday afternoon at 2.45. Please enter the school via the main office, younger siblings are welcome although we do ask that they are your responsibility whilst with us.

Maths

We will continue to work with numbers to 20 and beyond, adding, subtracting and ordering. We will begin to explore doubling and halving numbers within 20.

Forest School

This will continue on a Tuesday afternoon. As the weather improves please ensure that all children have a named sun hat and you have applied sun cream prior to them coming to school.
